Information about Music School Consultation lessons

The first concern of the music school Zumikon is to convey their music students and music students joy, success and self-confidence in making music. Experience has shown that the expectations of the music and the music lessons are great. This requires a careful assessment of the needs of all parties, children, parents and teachers. The consultation lesson is to help prevent failures and to enable success.

Therefore, a proper evaluation and advice in a consultation lesson is mandatory and a prerequisite for admission to private lessons at the music school Zumikon.

The consultation lessons include:

- a. Brief introduction to the fundamentals of the game of the instrument and his own first attempts
- b. aptitude test for the selected instrument (physical / motor conditions), advice on the choice of instruments / rental
- c. clarification of any musical knowledge (prior music lessons, hearing, rhythm, notation skills)
- d. clarify the motivation of the child for music lessons, mutual expectations of child / parent / teacher, as well as the temporal scope for practicing and hour division
- e. conversation, the ease with which experience has shown what progress is possible as well as the nature and scope of the most necessary support at home
- d. focus on teacher allocation by the music school management, the tuition, the schedule assignment / instruction days, compliance with the registration and cancellation of the existing compulsory education (regularly attending classes and practice) and general reference to the school rules.

Allocation

The Zumikon Music School shall communicate to interested parents and children for counseling lesson wherever possible to a teacher who has spare capacity in the following semester.

Duration / costs

A consultation lesson lasts 40 minutes and costs CHF 50 -. This amount will be charged separately to the first tuition bill or after no entry. If necessary, several counseling lessons can be booked.

Questions / information

Further information will be issued at the Music School management and administration.

Information about Music School Fees

Fees

- a. Actual fees/Musikschulordnung, holidays and free of school days are published on www.schule-zumikon.ch/musikschule
- b. Zumikon **residents and non residents** pay the very attractive tarif level 21.
- c. Zumikon residents who want to pay less (level 1-20) accept that the Zumikon tax office makes the classification based on their tax documents.
- d. You have more than one child in the Zumikon music school? You have a fee-reduction for this reason. (Geschwisterrabatt)

Application of schedule for ICS:

ICS students miss some lessons during the semester because of different holiday schedules of both schools.

To compensate them we applicate the tarif structure as following:

- a. The ICS-student pays the tarif which is applicable.
- b. The music teacher teaches 5 Minutes longer every lesson. (35 min. instead of 30 min., 45 min. instead of 40 min.)
- c. So all missings are exactly compensated. (this result is based on an exact analysis.)
