Tarifordnung, Ensemble)**

Further information on the reverse side of this sheet

String Ensemble Zumikon

All violin-, viola-, violoncello- and double bass-players are very welcome, regardless of level or age. Including those not having individual lessons at the music school.

If you like making music, together with others, you can join the Ensemble.

All parts get arranged for the members of the ensemble, so it will never be too difficult or too easy.

You can come along any Wednesday for a free trial lesson.
